MEMORANDUM FOR THE RECORD

SUBJECT: Briefing on Forced Labor in the USSR

1. On Monday, 7 October 1985, Congressman Frank Wolf (R., VA) was briefed in Room 130, Cannon House Office Building. The subject of the briefing was the issue of forced labor in the USSR. (C)

2. The following Agency personnel were present:

[] DI/SOVA
[] DI/SOVA
[] DI/OGI
[] OLL

(Label contingent)

3. The main briefing was presented by [] He reported on the composition and size of the forced labor as well as a description of the Soviet organization that adminstrates the forced labor system in the USSR. The briefers also emphasized the fact that it is impossible to identify any specific products manufactured directly by forced labor in the USSR and exported to the U.S. Congressman Wolf's interest in the subject stems from his involvement in legislation designed to take action against the importation of such goods. (C)
